Marita Palomares (Okano) - Director of Architecture and Engineering

We are thrilled to announce the promotion of Marita Palomares (Okano) to Director of Architecture and Engineering. Marita joined PDFM five years ago has been serving as Senior Manager where she has been responsible for the management PAE's Japan A/E business of Government and US Military practice as supporting other projects in the region.

Marita moved to Japan after working in the Philippines. Having worked with several Architect Engineer companies in Japan before joining PAE, she has more than 30 years of experience with US Military contracts. She has deep knowledge in engineering design and project processes and is currently leading the Team of PAE's capable and experienced architects and engineers. She is currently managing several IDIQ and IDC contract vehicles with the US Navy and US Army Corps of Engineers. Marita has a degree in Management and Industrial Engineering with a focus on Civil and Environmental Engineering.

Please join me in congratulating Marita to her new and well-deserved role at PDFM!
